

MSc Strength, Conditioning and Coaching

2026 Tuition Fees & Payment Structures

A non-refundable deposit of \$750 is required on acceptance of your place, payable in addition to the programme tuition fee.

If you have been awarded a Scholarship, or are outside of the US and are using the Global Tuition Framework, the below figures and currencies will adapt as per the agreement.

Please review each option carefully as you will be asked to confirm your preferred payment arrangement prior to enrollment.

Payment	Amount
Programme Tuition Fee	\$19,000
Non-Refundable Deposit (due on acceptance)	\$750
Total Programme Cost	\$19,750
Balance remaining after deposit	\$19,000

Payment Option 1: Full Upfront Payment

Students choosing to pay the full programme cost in advance pay the non-refundable deposit on acceptance, followed by the entire remaining balance at enrollment.

Payment	Amount
Deposit (due on acceptance)	\$750
Balance (due at enrollment)	\$19,000
Total	\$19,750

Payment Option 2: Block Payments (Every 4 Months)

The block payment option divides the programme balance equally across a fixed number of installments, each charged every four months. The first block payment is due at enrollment; subsequent payments follow automatically at four-monthly intervals.

	18-Month Spread	24-Month Spread	36-Month Spread
Deposit (due on acceptance)	\$750	\$750	\$750
First Block Payment (at enrollment)	\$3,800.00	\$3,166.67	\$2,111.11
Number of Subsequent Block Payments	4 further payments	5 further payments	8 further payments
Amount per Subsequent Block	\$3,800.00	\$3,166.67	\$2,111.11
Total Number of Block Payments	5	6	9
Payment Schedule	Months 0, 4, 8, 12, 16	Months 0, 4, 8, 12, 16, 20	Months 0, 4, 8, ... 32
Total	\$19,750	\$19,750	\$19,750

** All block payments are equal in amount. Month 0 = enrollment date. Final payment may be marginally adjusted to ensure the total equals \$19,750.*

Option 3: Monthly Payments

The monthly payment option distributes tuition across regular monthly installments. An initial payment of \$1,500 is due at enrollment, after which monthly charges are applied until the balance is settled.

	18-Month Spread	24-Month Spread	36-Month Spread
Deposit (due on acceptance)	\$750	\$750	\$750
Initial Payment (at enrollment)	\$1,500	\$1,500	\$1,500
Remaining Balance	\$17,500	\$17,500	\$17,500
Number of Monthly Payments	18	24	36
Amount per Month	\$972.22	\$729.17	\$486.11
Total	\$19,750	\$19,750	\$19,750

** Monthly amounts are rounded to the nearest cent. The final payment may be marginally adjusted to ensure the total equals \$19,750.*

All Payment Structures at a Glance

The table below provides a quick-reference comparison of all available payment options.

Payment Plan	Deposit	Initial Payment	Spread	No. of Payments	Per Installment	Total
Full Upfront	\$750	\$19,000	—	—	—	\$19,750
Block — 18 Months	\$750	—	18 months	5	\$3,800.00	\$19,750
Block — 24 Months	\$750	—	24 months	6	\$3,166.67	\$19,750
Block — 36 Months	\$750	—	36 months	9	\$2,111.11	\$19,750
Monthly — 18 Months	\$750	\$1,500	18 months	18	\$972.22/mo	\$19,750
Monthly — 24 Months	\$750	\$1,500	24 months	24	\$729.17/mo	\$19,750
Monthly — 36 Months	\$750	\$1,500	36 months	36	\$486.11/mo	\$19,750
